## IT Junior/Assistant - part time

### What we want:

An enthusiastic person to join our ever-busy IT Team. If you're passionate about IT, keen to learn more and are looking for flexible working hours, we want to talk to you.

### What you'll do:

- Technical support on PC and Mac
- Troubleshooting on client computer problems
- Work on all major operating systems MacOS X, Windows, Linux
- Work on smartphones (BlackBerry, iPhone)

### What you need:

- Attention to detail
- Knowledge of networking (TCP/IP)
- The will to learn and a passion for IT
- A can-do attitude, good people skills and a sense of humour
