

digital and direct

Art Director

What we want:

We are looking for a bright and organised individual to join the expanding Digital team as an Art Director. The successful applicant will have had experience of working within a similar agency environment.

You will display an attention to detail and passion for ensuring the highest standards are met in within the digital team.

This is an opportunity to join an expanding digital team and help lay the foundations which will deliver the highest quality output from the agency.

What you'll do:

- Producing effective, brilliant creative concepts against an agreed brief
- Pushing creative finish and innovation
- Liaising with CD, Lead Teams, Snr Designer, Snr Digi AW, Developers, Traffic, Campaign Managers and Strategy
- Overseeing designers and artworkers throughout a project ensuring the marketing requirements and creative integrity of the job is maintained
- Presenting to client as and when requested
- Primarily Sky, but can be shared across digital pool

What you need:

- Be hands-on and ensure creative is delivered within the required timings
- Strong, organised personality
- Attentive to detail and delivery timings
